Service Agreement:

Applicant, the owner of the property herein described, or the duly authorized agent, hereby requests and authorizes Centennial Utilities to install its service equipment as soon as practicable. The owner authorizes the Utility to enter upon the property in order to lay pipe and install meters and other necessary appurtenances. The owner further authorizes the Utility to enter upon the premises to read or shut off meters or make necessary repairs or adjustments to its facilities. The Utility shall exercise due care and restore the property to its original condition as far as reasonably possible but shall not be liable beyond due care nor for conditions beyond its control. The Utility will install all pipes meters and appurtenances and equipment according to its policies at the rate published in the rate schedule. The applicant agrees to pay all charges at the published rate. This agreement shall be binding upon the applicants heirs or assigns forever.

Tennessean Warning:

Under the Minnesota Government Data Practices Act and the Federal Privacy Act of 1974, we are required to advise you of the following, regarding the use of information.

1. This information will be used to help us determine your ability to pay for the utility services being provided.
2. Upon receiving this information, the only individuals who will have access to the private information are those within the utility company whose work assignment requires it.
3. You have the right to refuse to supply the information we request; however without certain information the utility company may experience a delay in the processing of your application.

If you feel that certain information that we request is an unwarranted invasion of privacy please contact the City Administrator.

Property owners are responsible for all charges incurred by renter or other occupants.
